Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Relations of Railroads to the Public Question 1. Do you regard the establishment and maintenance of lower rates between ports in Europe and points in the interior of the United States than the combined ocean rate from the foreign port to New York, and the railroad rate from New York to the interior point, as in the nature of an unjust discrimination; and, if so, what measures, in your opinion, should be adopted for preventing it? Answer. I regard the establishment and maintenance of lower rates between ports in Europe and points in the interior of the United States than the combined ocean rate from the foreign port to New York and the rail rate from New York to the interior points as an unjust discrimination, for the reason that the two methods of transportation are entirely separate and distinct from each other, bulk having to be broken and the goods handled at the end of the ocean voyage in any event. There can be no more economy of transport by making a through...
