Reviews

These kinds of ebook is almost everything and got me to seeking ahead of time plus more. It really is filled with wisdom and knowledge I discovered this book from my i and dad advised this publication to learn.

(Sonny Bergstrom)

ALPHA

Boston Books. Paperback. Book Condition: New. Paperback. 408 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. A story about falling in love at first sight . . . a whole dang novel about it! Question: Say a person falls in love at first sight (admittedly a foolish thing to do) . . . but, lets suppose thats exactly what happens. Questions may arise. Like: What the Or: HOW did this happen to me Or: WHY did this happen to me In this case the situation involves a certain Efron Dawkins . . . a young college student. (Well . . . hes in the 5th year of a four-year program. An art student. Need I say more). Thats when this falling in love event happens. It seems he is being confronted by some out-sized POWER . . . that will surely disrupt his life. In the meanwhile, he wonders what can be done to rectify the problem Authors first note: There are many Conspiracy Theories in the world: Pearl Harbor, Roswell, the JFK Assassination, the Moon Landing, the Branch Dividian Conflagration, Ruby Ridge, the Twin Tower Collapse, etc. Most of them are wrong-headed. Not that it doesnt require a lot of intelligence to formulate such theories. But, when one takes a closer look at these theorists . . . it becomes pretty obvious that their brains have been boiled in vegetable soup. Surprisingly, perhaps the greatest conspiracy in human history goes largely unnoticed . . . and un-commented upon. I call it the Love Conspiracy . . . whereby the masculine gender types (that is, fully half the population of the world) have been baffled and befuddled by the females of the species for several millennia (and counting). This conspiracy (unlike the others) is REAL. Its root cause is simple enough to...
