

Death in a Church of Life: Moral Passion During Botswana s Time of AIDS (Paperback)

By Frederick Klaits

University of California Press, United States, 2010. Paperback. Book Condition: New. New.. 221 x 150 mm. Language: English . Brand New Book. This deeply insightful ethnography explores the healing power of caring and intimacy in a small, closely bonded Apostolic congregation during Botswana s HIV/AIDS pandemic. Death in a Church of Life paints a vivid picture of how members of the Baitshepi Church make strenuous efforts to sustain loving relationships amid widespread illness and death. Over the course of long-term fieldwork, Frederick Klaits discovered Baitshepi s distinctly maternal ethos and the spiritual kinship embodied in the church s nurturing fellowship practice. Klaits shows that for Baitshepi members, Christian faith is a form of moral passion that counters practices of divination and witchcraft with redemptive hymn singing, prayer, and the use of therapeutic substances. An online audio annex makes available the examples of the church members preachings and songs.
