Dover Publications Inc., United States, 2012. Paperback. Book Condition: New. 204 x 126 mm. Language: English . Brand New Book. The first great Russian writer to emerge from the ranks of the proletariat, Maxim Gorky (1868 1936) was born into poverty and orphaned at an early age. Entirely self-taught, he experienced firsthand the suffering, injustice, and despair which permeate his tales. Speaking for the social outcast, the downtrodden, and the oppressed, he vividly depicted the miserable lives of the lowest classes who raged in protest against an uncaring society. His sensitivity and candor won him a devoted following. Three of Gorky's best known appear in this collection the title story, in which a thieving vagrant takes on a young, unwilling apprentice; Makar Chudra, the story of an ill-fated, tempestuous romance between a pair of gypsy lovers; and Twenty-six Men and a Girl, widely regarded as Gorky's best short story, in which a wretched crew of pretzel-makers, laboring in a damp and grimy cellar, destroy their only source of joy. Student and general readers alike will value this affordable collection of powerful tales by one of Russia's best-loved authors and greatest portrayers of the lower depths.
