Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ediciones Península, 2014. soft. Book Condition: New. Esta Breve historia de la cultura participa por completo de la rara virtud que atesoran los libros sabios de verdad: transmite, de forma inteligible, amor e interés por la historia que nos promete su título. Dictada en una tanda de sesiones para un público diverso, está a la altura de las mejores obras de su autor, Ernst H. Gombrich, un extraordinario divulgador de historias eruditas, que dominó a las mil maravillas las técnicas de la oralidad. Y lo primero que se pregunta Gombrich es: ¿Qué es y cómo se escribe la historia de la cultura? Su polémica respuesta azuza nuestro intelecto y nos pone en guardia ante todo apriorismo: la cultura no es, como han pretendido muchos, una fórmula única, sino un conocimiento básicamente creador e integrador, que rebasa y anula los compartimentos cerrados. De esta manera, su obra nos ofrece nuevas perspectivas para aprehender conceptos tan lábiles como estilos y periodos, arte y moda, gusto y norma social, en un libro esencial, hermoso y sencillo, apto y necesario para todo tipo de públicos, que deleitará tanto a los lectores que disfrutaron con Breve historia del mundo como a los que (todavía) no lo han hecho.
