Xulon Press, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.How can Christians know the will of God concerning the healing of their bodies? If it is God s will to heal His people why are so many Christians suffering chronic illness? What are some of the hindrances to receiving healing? What about inherited illness? What is Ultimate healing? Does God sometimes refuse healing to one of His children solely to prove His sovereignty? What about Christians whom one may know who seem to have great faith and seem to live exemplary lives yet do not seem to able to receive the physical healing they need from God? Why is there not more teaching and preaching on the subject of physical healing in the Church of Jesus Christ? Why do we not witness more physical healings in the Body of Christ? What about faith healers? Should one trust them or should they be considered false prophets, fakes, charlatans, etc.? Should Christians seek help from the medical profession or trust in God alone for their physical healing? Marge presents answers to these questions (and others that Christians frequently ask) that are clearly in accordance with scriptural truths and concepts. Marge Pallett is a mother of four children, grandmother of nine and great grandmother of sixteen. She lives in Wappapello, Missouri with her husband of fifty eight years, Richard. They attend the Lake Wappapello United Methodist Church where Marge has served as church pianist, choir director, Sunday School and Bible Study teacher, and lay speaker. In addition to studying and teaching the Bible, Marge enjoys music, reading, traveling and doing genealogy research. She has written songs, skits, and short articles. This is her first book.
