S. G. P. O. , distributor, 2000 i. e. 2001. OCLC Number: (OCoLC)46803107 Subject: Health care reform -- United States. Excerpt: . . . 11 ray provider. The average cost to transport that same patient by ambulance was 420. If the patient is admitted to the hospital, the cost rises to thousands. It should also be noted that the transportation portion of our fee is prorated among the number of patients we see per visit. The ambulance fee is per patient. We are recommending an additional fee when our services are required in a rural area. We understand that this is an established practice in other areas and we feel that the additional travel that is required would warrant such a request. The fee would be reimbursed in the form of a special CPT code only to be used and billed when a provider performs services in a rural area. Transportation of EKG service. Currently we do not receive any additional reimbursement to travel to a nursing facility when performing an EKG. This reimbursement was taken away from an industry when the Health Care Financing Administration deemed CPT code R0076 a noncovered service. The service had previously been covered. My current reimbursement for the EKG technical component is 16. 49. This is the same reimbursement that a physicians office or a hospital receives if they were to perform the test in their office. Each time an EKG is performed, we must dispatch a technician who must travel anywhere from five to 50 miles or more. Clearly this does not cover the expense of the exam. We feel the...
