Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Cabinet Cyclopaedia, Vol. 1: Biography; Eminent British Statesmen More than half of the volumes of this work are now before the public, and the reception they have met with is the best evidence that the publishers have fulfilled the promises made at its outset. They have now only to promise, for the editors and themselves, that no exertion shall be spared to render the remaining volumes equal to those already published, and thus sustain the reputation it has acquired. The subscription is large, and increasing; and in those quarters where its circulation is greatest, and where it is best known, there is a constantly increasing demand. The publishers invite the attention of those who may not already have possessed themselves of it, or may not have had an opportunity to become acquainted with its merits, to the following account of the original work, upon which it is based, and which is termed by the Edinburgh Review - The World-Renowned Leipzig Conversations Lexicon. It was intended to supply a want occasioned by the character of the age, in which the sciences, arts, trades, and the various forms of knowledge and of active life, had become so much extended and diversified, that no individual engaged in business could become well acquainted with all subjects of general interest; while the wide diffusion of information rendered such knowledge essential to the character of an accomplished man. This want, no existing works were adequate to supply. Books treating of particular branches, such as gazetteers, c. were too confined in character; while voluminous Encyclopaedias were too learned, scientific, and cumbrous, being usually elaborate treatises, requiring much study or previous acquaintance with...
