Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.All of these stories are true. I never could of imagined that two men could have so many unimaginably humorous adventures, as Jack and Randall have had. They have known each other for many years and have been through thick and thin together. No matter what came their way, what obstacles stood in their path, they always seem to make it out alive. I can t help but to laugh when I think about the stories I have shared in this book about some of their most humorous moments in life. I hope you will enjoy reading this book, and sharing a laugh with me, as much as I have enjoyed reliving some of the most funniest moments in the lives of Jack and Randall. Some people say you only live once, but I do think that Jack and Randall have lived more than one life time in the years they have been friends. You could say that they are either the most luckiest men around, or someone up there is looking down on them. I am sure that God has had a few laughs himself, when watching over these boys.
