Puffin Books, United States, 2016. Paperback. Book Condition: New. 197 x 129 mm. Language: English . Brand New Book. * [A] gore-spattered, bone-crunching series opener. Booklist, starred review Max is just your average kid growing up in Gallows Hill, a small town outside of Boston well, except that he lives in a gothic mansion with an old former prizefighter, and his after-school job is carrying on the monster-hunting tradition of his family, the van Helsing. Despite the bloody legacy he s inherited, Max always tries to be kind and fair to the ghouls, demons, and other creatures he encounters. So he s confused when monsters start attacking him willy-nilly even those he thought of as friends. Max discovers he s been cursed by an evil Warlock who intends to reclaim the earth for the monsters. To save his life, Max must rely on his gearhead friend Syd, his boy-genius neighbor Wing, and his brand-new puppy for help. But time is running out, and if they can t figure out how to break the Thirteenth Curse, Max and the world as we know it will be in deep, deep trouble From the author of the Wereworld series! Max, a hero in the vein of a young Indiana Jones, is more at ease facing demons than managing middle school, and his wisecracking attitude and quick thinking make for entertaining reading.
