Reviews

*Absolutely one of the better ebook We have ever study. it had been writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Carol Lehner II)*

THE PHYSICAL PHENOMENA OF MYSTICISM

DOWNLOAD

White Crow Books. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. The Physical Phenomena of Mysticism by Herbert Thurston is the result of the authors tireless study of a wide range of psychic phenomena, including, levitation, stigmata, telekinesis, luminous phenomena, inedia (living without food), and more. The book delves into the phenomena attributed to the likes of, the Catholic stigmatic, Therese Neumann, St. Francis of Assisi, and includes the fascinating story of Mollie Fancher, who it was alleged, following a life threatening accident, could see without her eyes, took little or no food for 14 years, traveled out of body, and demonstrated clairvoyant abilities. Thurston was a Catholic priest, a member of the Jesuit order, and a historian. He wrote extensively on Catholic mysticism and psychic phenomena. He was a member of the Society for Psychical Research, and was widely read on the subject. Given that he was a practicing Catholic, it is unlikely that he attended sances, and therefore his opinion on spirit communication, clairvoyance, and mediumship in general, may not come from personal experience. That said; he comes across as an honest skeptic (rather than a debunker) with some empathy for his subjects. Explaining his position he says, The role of Devils Advocate is a thankless one and does not make for popularity, Indeed, I may confess that, when writing somewhat in the character of a doubting Thomas, I have felt at times, in spite of good intentions, that I was even playing a mean and an unworthy part. Why, I have asked myself, should a skeptical line of argument be put forward which may possibly trouble the simple faith of many good people much nearer and dearer to God than I can ever hope to be And yet in these days of widespread...
