## ANALOGICAL MODELING OF LANGUAGE

Book Condition: New. Publisher/Verlag: Springer Netherlands | 1. Structuralist Versus Analogical Descriptions ONE important purpose of this book is to compare two completely different approaches to describing language. The first of these approaches, commonly called structuralist, is the traditional method for describing behavior. Its methods are found in many diverse fields - from biological taxonomy to literary criticism. A structuralist description can be broadly characterized as a system of classification. The fundamental question that a structuralist description attempts to...
